## ASSEMBLER / ASSEMBLY OPPORTUNITIES – 1st SHIFT

We have an immediate opportunities available in Sandusky, OH for Assembly operations on our first shift team (7:00 a.m.- 3:30 p.m.). These positions either are involved in the cutting of steel parts for rollers, the formation of parts to make a roller, or putting together / installing rollers in to steel frames.

### KEY DUTIES:

- Able to read calibration equipment.
- Able to read tape measure within 1/16 inch as well as metric version measures and can perform appropriate conversions to either standard or metric measure format.
- Able to operate hand and power tools for assembly (pneumatic wrench, ratchet, etc.).
- Able to read a mechanical drawing / diagram
- Perform quality checks as established.
- Perform other plant operations-related duties as assigned.

The candidate will have a High School Diploma/GED. A minimum of one year recent work experience in the manufacturing environment required, with hands-on ability to “turn a wrench”) preferred. A proven record of excellent attendance and reliability; able to work overtime – 10 hr. day / Saturdays. A solid level of hand to eye coordination and understanding mechanical drawings is key. The successful candidate will have strong communication, problem-solving/troubleshooting, and mathematic skills; as well as a high level of attention to detail, quality, and safety.
